

## TOP Online Resume Builders – Reference Links

[My best opinion is to use PPT by inserting objects, images, etc... and build our own creative resumes]

S.No	Links
1.	Best creative resumes can be made as per our own creativity using Power Point Presentation (PPT) itself.
2.	MS Word – 2019 version also has its own few customized editable templates for resumes.
3.	CV Maker Online - <a href="https://www.cvmaker.com/">https://www.cvmaker.com/</a>
